Who: All ambitious rebreather divers
and who are interested in rebreather diving

What: Get together for diving and skill training, talking about our experiences and others

Else:
**Workshop and discussion about
Hypercapnia in rebreather diving
by Peter Gärtner**
***Chemical oxygen sensors - Basics and
handling* by Jürgen Hammerl**

More ...

... information about the lake and its dive base is available under www.kreideseeataucher.de. Another dive base providing also technical dive equipment you can find at the Divestation Hemmoor - www.dive-station-hemmoor.de. Accommodations are available directly at the lake (www.kreidesee.de) and further there are a lot of holiday appartments within Hemmoor.

We will meet us on 02nd of August around 2pm at entry 1. Later on we plan a dinner around 7pm all together. On all other days there is no fixed schedule of the day except one or the other lesson and workshop. For more information please check our facebook group Rebreather Reunion Kreidesee Hemmoor in which we will provide more details later.

NOTE::

Our rebreather event is private and a non commercial event and free of charge. Additional costs like diving fee and expenses for accomodations has to cover by each guest or diver.
